

# Move up to Auto-Tune Evo — the professional standard

Get a \$60 rebate directly from Antares when you buy Auto-Tune Evo from any authorized Antares dealer

When you're ready to take your pitch correction to the next level, move up to Auto-Tune Evo, the worldwide standard in professional pitch correction, and save \$60 in the process.

Auto-Tune Evo is used daily by thousands of audio professionals around the world. Whether to save studio and editing time, ease the frustration of endless retakes, to save that otherwise once-in-a-lifetime performance, or to create striking special effects, Auto-Tune Evo is the tool of choice. And, as an Auto-Tune EFX owner, you can take advantage of this special offer to get a \$60 rebate directly from Antares when you buy Auto-Tune Evo from any authorized Antares dealer.

## Here's what you get in Auto-Tune Evo:

|   | Auto-Tune EFX | Auto-Tune Evo |
|---|---------------|---------------|
| Powered by Evo™ Voice Processing Technology             | ●             | ●             |
| Real-Time Pitch Correction and Auto-Tune Vocal Effect   | ●             | ●             |
| Major, Minor and Chromatic Scales                       | ●             | ●             |
| Historical, Microtonal, and World Instrument Scales     |               | ●             |
| Two Preset Versions of the Auto-Tune Vocal Effect       | ●             |               |
| Fully Adjustable Auto-Tune Vocal Effect                 |               | ●             |
| Preset Real-Time Pitch Correction                       | ●             |               |
| Adjustable Real-Time Pitch Correction With Humanization |               | ●             |
| Pitch Shifting With Formant Correction                  |               | ●             |
| Vocal Character Control With Antares Throat Modeling    |               | ●             |
| MIDI Control of Scale and Target Notes                  |               | ●             |
| Comprehensive Natural and Synthesized Vibrato Functions |               | ●             |
| Powerful Graphical Pitch Correction and Shifting        |               | ●             |
| Note-Based Pitch Correction and Shifting                |               | ●             |

## To take advantage of this offer:

1. Buy Auto-Tune EFX (which you have probably already done, or you wouldn't be reading this.)
2. Sometime later, buy Auto-Tune Evo from any authorized Antares dealer.
3. Fill in all of the requested information in the Rebate Form below
4. Include copies of your Auto-Tune EFX and Auto-Tune Evo receipts and a copy of the UPC Code and Serial Number labels from the bottom of the product boxes. Note: Your Auto-Tune Evo receipt must be dated *later* than your Auto-Tune EFX receipt.
5. Mail everything to:

AUTO-TUNE EVO REBATE OFFER  
231 TECHNOLOGY CIRCLE  
SCOTTS VALLEY, CA 95066

You will receive your rebate check by mail at the address you enter below (takes 2 to 4 weeks from receipt of form).

Requests must be postmarked by December 31, 2009. Keep copies of all materials submitted for your records. Illegible or incomplete materials are ineligible for the rebate. Be neat and complete. Allow 2 to 4 weeks for delivery. Void where prohibited or restricted by law.
